Description:

Im now on my third reading of this book, this time with focus on revision and re-fact-checking as I head towards what I hope is the final this year in this project. Im grateful for the wisdom and support Ive found here. I knew this book had to be written, but I wasnt certain how I would

accomplish it. As one of the authors predicted, I made discoveries along the way that made this journey easier than I expected. They say the first draft will be rough--which I knew. That I'm now on the fourth revision--and probably have a few more to go--is not unusual according to some of the contributing authors.
