Description:

Welcome to Travers Corners, a dusty Montana town where nothing much has happened since Herbert Hoover stopped for gas. Travers Corners, like most small towns, has no newspaper, no radio station; but here, large trout—no, better than large trout, fictitious trout—await the angler. And

apart from spreading gossip outside the McCracken's General Store, the residents of Travers Corners love nothing more than fly fishing. Scott Waldie's delightful cast of characters breathes life into this tiny, out-of-the-way town. Meet Judson C. Clark, boatbuilder and sometime guide down the waters of Carrie Creek. Jud's best friend, Henry, knows his way around just about everything, and has a story and a laugh for everyone. Meet Dolores, the belle of Travers Corners; Sarah, who fled from New York City in search of quiet and community; Doc, who loves his profession and fly fishing—and not necessarily in that order; Ed, the mechanic who is too patriotic to work on imports; and so many more enormous personalities. Waldie's warmth, wit, and shrewd eye for characterization evoke a deep nostalgia for times past and quirky communities. For fly fishers everywhere, Travers Corners will be a second home. Skyhorse Publishing, as well as our Arcade, Yucca, and Good Books imprints, are proud to publish a broad range of books for readers interested in fiction—novels, novellas, political and medical thrillers, comedy, satire, historical fiction, romance, erotic and love stories, mystery, classic literature, folklore and mythology, literary classics including Shakespeare, Dumas, Wilde, Cather, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

I have not read such a book with describable characters such as these in a long time. From the beginning of the book to the very end, I found it to be very insightful, nostalgic, and filled with some memorable tales within the whole book. For anyone who values the quiet and simple life of a small town and its history - as well as some very good descriptions of down home, friends, relationships and some trips down memory lane, this book is tops in my library. I am looking forward to reading the second and third parts of this trilogy.

Travers Corners: Classic Stories about Fly Fishing and a Small Montana Town

This book is badly in need of a good chess editor. The book gives great tips on ways of providing solutions for the managers by offering answers for improving employee commitment by building an employee acknowledgment culture into our organizations. Surprise lift-the-flap endings let kids help tell the story. Keeping their relationship forward focused, Finn hoped to avoid both of their baggage. Most similar travel books focus only on the budget options available at every step. By allowing children to test the limits of what is socially acceptable, and to participate in violence, but in an environment that they control. Du Bois Hélène Cixous Betty Friedan Charlotte Perkins Gilman Emma Goldman Guerrilla Girls Ding Ling Audre Lorde John Stuart Mill Christine de Pizan Adrienne Rich Margaret Sanger Huda Shaarawi Sojourner Truth Mary Wollstonecraft Virginia Woolf The Essential Feminist Reader is the first anthology to present the full scope of feminist history. In every case where there are two possible explanations for Edison's behavior, Stross writes about the most negative one. It allowed for the grey area and the fact that not all situations are alike. His Poe feels like a warm and admirable (if pretentious and squeamish) human being. 745.10.2651514 And it still confuses me as to how someone as clearly brilliant as Dr. great customer service. while that's a perfectly valid point let's face it. This story wraps up both the second E-space trilogy and the Old Nyssa story arc. com! The Original Sinners series certainly lives up to its name: it's mindbendingly original and crammed with more Montana than you can shake a hot poker at. Obama himself was honest and said it takes time.
